SUBJECT: Cancellation of October 9, 2003 Meeting and Notice of
November 13 Meeting

The October 9, 2003 meeting of the I-15 IRP Technical Working Group (TWG) has been cancelled. Staff is working on the evaluation of and the preparation of a monitoring program for the strategies for discussion at our next meeting.

The next Technical Working Group meeting will be held on Thursday, November 13, 2003 from 1 - 3 p.m. in the Temecula City Council Chambers.

The meeting on November 13 will provide TWG members and other interested individuals with their primary opportunity to discuss a more detailed evaluation of the potential Transportation, Economic Development, Housing, and Jobs-Housing Balance Strategies to mitigate and address the jobs/housing imbalance between the San Diego and western Riverside areas. In addition, an initial draft of a monitoring program for the adopted strategies will be presented.

The next I-15 IRP Policy Committee meeting scheduled for December 12, 2003, has been changed to January because of schedule conflicts and the holidays.

If you have any questions, please contact Jeff Martin at 619-595-5358 or jma@sandag.org, or Susan Baldwin at 619-595-5343 or sba@sandag.org.
